White Rock & South Surrey

The South Surrey - White Rock Division of Family Practice uses Medimap to help you find out which clinics are currently accepting new patients.

[Medimap \(White Rock/South Surrey\)](#)

*Please note that many communities have long waitlists for primary care providers. If you need support while waiting, please consider the following options:

Emergency

Please call **911** or visit your nearest hospital.

Urgent Care

There are 2 Urgent Care Centres in Surrey ([Newton](#) and [Whalley](#))

Walk-in Clinics

Medimap can help you find an open walk-in clinic in your community.
